Reserve Footballers secure three more league points

**GLENRAVEL 2-15 LISBURN 2-10
BALLYMENA 1-05 GLENRAVEL 1-05**

Our Senior Reserve Footballers secured three more league points in ACFL Div 2 Res to sit proudly top of the table at the business end of the season. We played Lisburn last Friday night who had run us very close at their ground a few weeks ago so we expected a difficult outing. However, on a pitch in superb condition, we played probably our best 30 minutes of football this season to go in ahead 2-10 to 1-2 at half-time and, despite Lisburn closing the gap to 5 points at the close, we were well worth the victory.

That was followed by a tough encounter against neighbours Ballymena in Quinn Park on Sunday morning where an even tighter finish saw both teams level at the end.

Our final league game is this Friday night, Jul 7th in Belfast versus Ardoyne and a victory may be enough to secure the league title depending on how other results fall.

FÉILE PEILE NA NÓG.

Not to be for our squad last week at the Féile against some very strong opposition in Carryduff. Our girls eventually bowed at the Shield semi final stage to Shield winners Liatroim. Féile for our squad was about participation & creating memories. Our girls got plenty of game time and will learn from the experience. Well done girls. Good effort. Thanks to all who came along to support the team
